The Community Collaboration Initiative strives to create a safe and equitable structure for collaboration. We provide a 3-Year support structure to 25 grassroots Muslim American non-profit organizations. Organized into six groups, organizations engage with facilitators to establish working relationships towards solving a common problem.

**How We Do It**

**Program Management**
Industry research and expertise
Administrative support
Provide visibility to the broader non-profit community
Utilize leadership network for expert answers

**Expert Facilitation**
Monthly facilitated conversations
Facilitation Peer Support
Strategic direction setting for dialogue
Knowledge of the Muslim American community
