

AN ACTION BASED RESEARCH PROJECT
COMMUNITY COLLABORATION INITIATIVE

The Community Collaboration Initiative strives to create a safe and equitable structure for collaboration

We provide a 3-Year support structure to 25 grassroots Muslim American non-profit organizations. Organized into five groups, organizations engage with facilitators to establish working relationships towards solving a common problem.

How We Do It

PROGRAM MANAGEMENT

- Industry research and expertise
- Administrative support
- Provide visibility to the broader non-profit community
- Utilize leadership network for expert answers

EXPERT FACILITATION

- Monthly facilitated conversations
- Facilitation Peer Support
- Strategic direction setting for dialogue
- Knowledge of the Muslim American community

Our Three Year Plan

<p>2020</p> <p>Collaboration through trust building</p>	<p>2021</p> <p>Collaboration through programming</p>	<p>2022</p> <p>Collaboration through sustainability</p>
