Reflect

Religious Giving
Through the Eyes of the Donor

This month we revisit the question, what is religious giving? Is it giving to religious congregations and organizations with a specific religious identity and mission or is it any charitable donation that is motivated by spiritual and religious values? Now comes a study that turns that conversation on its head by looking at charitable giving thru the eyes of the donor as it focuses on...

Creating Congregational Cultures of Generosity
Lake Institute's Signature Seminar

This seminar, designed for congregational teams, demonstrates how to create a comprehensive development strategy by exploring significant and necessary steps to creating lasting cultural change within a congregation. Interactive segments of CCCG explore theology, the role of adaptive leadership, fiscal transparency and the importance of donor care, with...

Church leaders struggle with issues related to financial giving every year, in every economic climate. Most do not want to preach about the topic, and some don't even like to think about it.

The topic of financial giving is, for many, a perennial headache and an energy drain. Many church leaders have not considered the single most important aspect, however. Bounty explores the...
